

Kiwanis Club of Barbados South
President's Message - December 2021

December 2021 should be one of reflection. One that we use to look at the months that have passed and how we have overcome the many challenges.

How much have you done for yourself? How much have you done for the family? How much have you done for the society in which we live?

While we continue to contribute to Kiwanis and uphold the objects of this noble organization, we must ensure that we take care of ourselves, so that we can take care of those we serve.

Kiwanians this is the end of the first quarter, and I must say that all of you have given and continue to give of your time and resources.

I have seen the comradery among us and I have seen people reaching out to each other. It reminds of what is written in Deuteronomy 15:7-8. "If among you, one of your brothers should become poor, in any of your towns within your land that the Lord your God is giving you, you shall not harden your heart or shut your hand against your poor brother, but you shall open your hand to him and lend him sufficient for his need, whatever it may be."

The smiles on the faces of those we serve, eases the pain and the anxiety that they feel, and it also gives us a sense of profound joy when we give.

We must always remember the Kiwanis Vision:

Kiwanis will be a positive influence in communities worldwide — so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.
